

## Basic Rules

Players are expected to follow all Golf Course rules and the specific rules of the venues and adhere to the Covid-19 Protocols.

Breaching these rules can endanger others and lead to tournament disqualification.

Please note: if you register to any event of the Evolve Murcia Series 2021, you do so entirely at your own risk and will not hold the Evolve Pro Tour responsible for any damages. You agree to all policies and procedures as outlined.

All protocols are subject to change without notice. Please pay special attention to pre-event Emails or postings at the tournament office as they will outline Golf Course specific protocols we must follow.

## Social Distancing and Use of Masks

Always keep a minimum social distance of 1,5m or two club lengths and avoid any physical contact.

**You have to wear a mask at the venue, everywhere and at anytime. To wear a mask while practicing and playing is mandatory.**

## Hygienic Measures

Avoid any lack of hygienic measures. Carry Sanitisation Gel with you. Take all necessary sanitisation measures to protect yourself and your flight partners.

## Before your Round

### Self Check and Personal Location Form

Perform daily a self-evaluation for symptoms (cough, fever, shortness of breath etc.) before practicing and before your round. If you have

symptoms, report it immediately to the Tournament Director and **DO NOT GO ON THE COURSE.**

You have to submit daily a **PERSONAL Covid-19 FORM** to the office of Hacienda del Alamo in the Pro Shop. **You cannot practice or play if you do not submit this form.** Your temperature will also be taken at the Pro Shop daily before your round. We recommend to provide yourself once with enough copies of the **PERSONAL Covid-19 FORM**. Fill the form out before accessing the Pro Shop in order to speed up the daily process.

## Practice and Warm up

The Tournament Director together with the responsible of the venue can prohibit or limit the time allowed to use the practice areas (driving range, chipping and putting areas etc.) before and after the round in order to avoid uncontrollable crowding.

At **Hacienda del Alamo** the Driving Range opens on all days (Practice and Tournament days) at 08:00 and closes at 15:00. The rest of the practice area (Chipping area, Putting green) stays open until the course closes at 16:30.

## Practice Rounds

You can book a practice round in advance. A mailing from the Evolve Pro Tour will inform you in detail.

## Digital Tournament Management

All tournament information (flights, tee times, results etc.) are available online ([www.evolveprotour.com](http://www.evolveprotour.com)) and will also be posted in time on the tournament office board.

On tournament days Players will receive all documents at the starting tee (score cards, pin sheets, local rules etc.).

The **Evolve Pro Tour Tournament office** is situated next to the Caddy Master and the Putting Green.

## During the Round

### Score Marking

**In order to avoid physical contact as much as possible Players do not switch score cards.** Each Player has to record his results and the results of the Player he is marking **on his own score card**. Mark your results with your own pencil.

### Equipment

Avoid sharing or borrowing any type of equipment on your round unless it is inevitable. Do not touch another ball than yours. Otherwise you will have to take all necessary sanitisation measures to protect yourself and your flight partners.

### Flagsticks and Artificial Objects

**The flagsticks must remain in place. They cannot be removed.**

Sanitisation measures are always recommended if you have to touch artificial objects on the course.

Note: due to the Covid-19 restrictions you will find no ball washers, bins or benches on the course.

### Bunkers and Rakes

**Bunkers do not lose their bunker status. Rule 12 is NOT out of use.**

Smooth the bunker with your feet or with a club as best as you can. **There are no rakes available.**

### Local Facilities

The Clubhouse and the Restaurant at **Hacienda del Alamo** are closed. Be prepared to bring your own food and drinks with you. **Evolve Pro Tour cannot provide food and beverages on tournament days** due to the pandemic situation.

### Restrooms

There are only 2 restrooms opened on the course: one in the clubhouse (near the Pro Shop) and another one at Hole 13.

### Caddies

**Caddies and Players always have to stay at 1,5m from each other. They both have to wear a mask.** We recommend that

Caddies do not handle clubs and balls to prevent possible infections and avoid permanent sanitisation measures.

**Reminder: a Caddie is an extension of the Player. All the same protocols listed apply to the Caddie. Should the Caddie be in breach of any of these protocols, the Player may be disqualified.**

## After the Round and Scoring

After the end of each round the results have to be checked **outside** the tournament office. **Each Player only signs his own card.**

Scorecards have to be returned to the tournament office. A specific description of the final scoring procedure in accordance with the actual Covid-19 regulations will be posted or communicated in time.

**Do not gather at the clubhouse or any common area and follow strictly the rules of the venue.**

Where permitted, we will conduct a limited awards presentation to the top-finishers in each class.

## Special Rulings

### Penalty for Intentional Breach of Covid-19 Protocol

The following penalties can be applied by the Tournament Committee in case of intentional breach of Covid-19 Protocol:

- Warning
- Stroke penalty
- Disqualification
